MobiDig LMS (Training Modules)

Getting Started

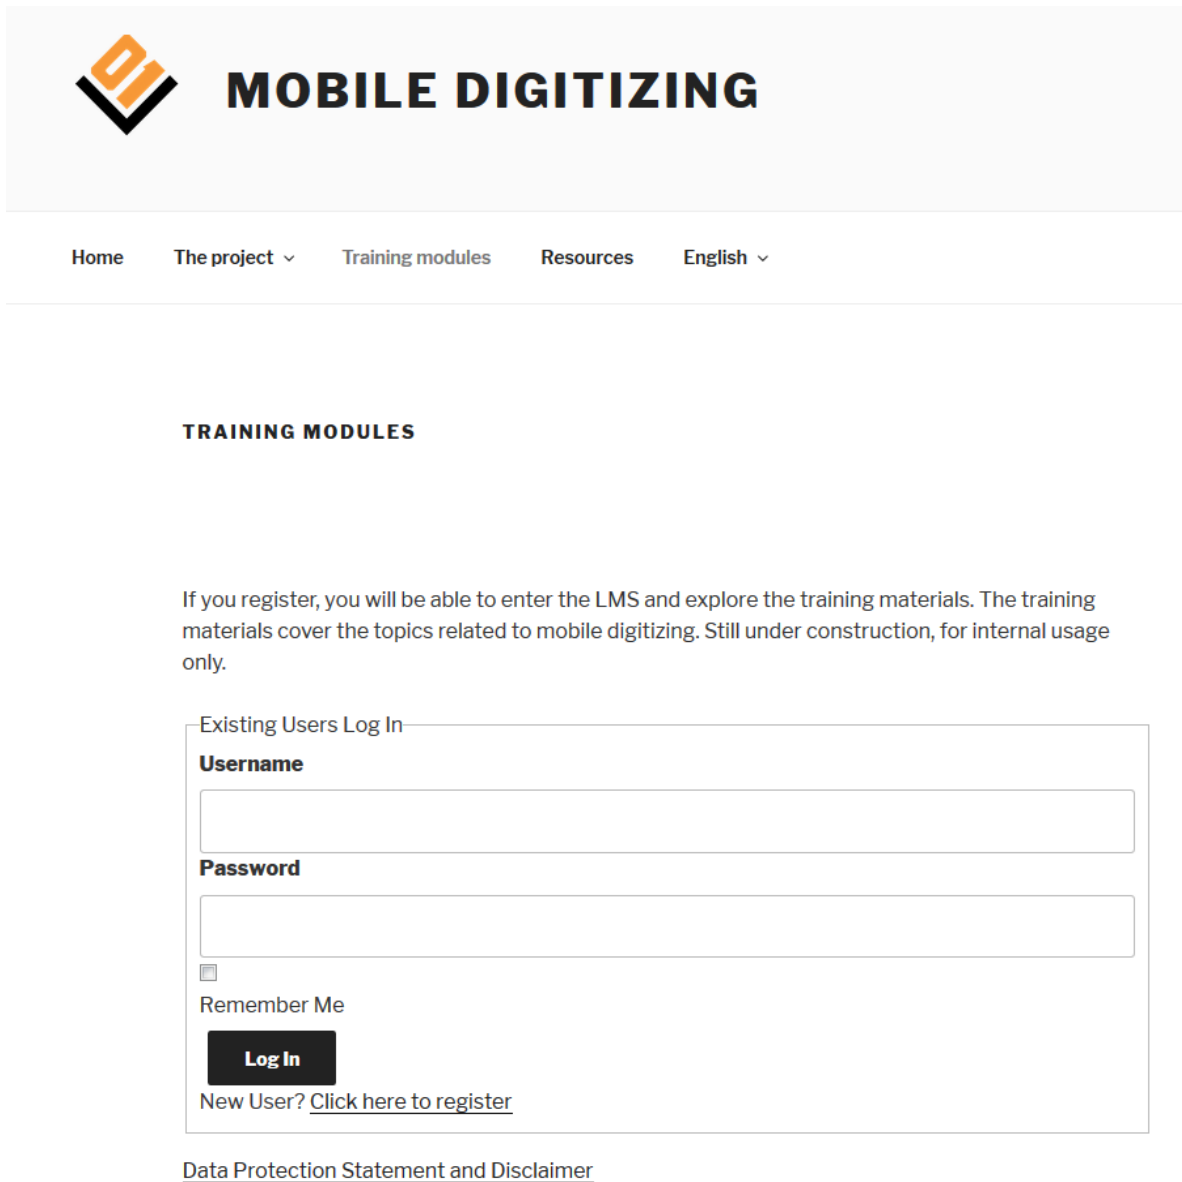

Please read carefully Data Protection Statement and Disclaimer document before starting the registration and usage of the LMS (Training modules).

1. Registration (in LMS/Training Modules of mobiledigit.eu)

- One user can register by clicking [Register](#) under the log in form in “Training Modules” menu.
- Fill up the form.

2. Logging in

- You can log in using the form in the “Training Modules” menu.

The screenshot shows the 'MOBILE DIGITIZING' website header with a navigation menu containing 'Home', 'The project', 'Training modules', 'Resources', and 'English'. Below the header, the 'TRAINING MODULES' section is titled. A paragraph explains that registration allows access to LMS training materials, which are still under construction. A login form titled 'Existing Users Log In' contains fields for 'Username' and 'Password', a 'Remember Me' checkbox, a 'Log In' button, and a link for 'New User? Click here to register'. At the bottom of the form area, there is a link for 'Data Protection Statement and Disclaimer'.

You have to click on **“Enroll”** button in the page bottom or under every module in the list of modules in order to enroll. After that the Module parts will be clickable.

4. Quizzes

At the end of every module there is a quiz for self-evaluation.

Every quiz has 5 questions with 3 possible answers. Most of the questions have one correct answer, but there are question which have two possible answers. A student will need to check them all in order to get the full points of the question. Quizzes have 10 minutes each to solve. At the end (when one clicks “Complete”) a screen with results will appear.

The screenshot shows a quiz interface for 'Module 1'. At the top right is a 'Back to Course' button. Below the header, the word 'Quiz' is displayed. A progress bar indicates '1/5 Question' and '0:09:45 Time remaining'. The question text is 'What could be reasonable criteria for the selection of objects?[two correct answers]'. There are three radio button options: 'The number of pages', 'The state of preservation', and 'The value of the object'. At the bottom of the question area are three buttons: 'Next', 'Skip', and 'Complete'. Below the question area, there is a 'Prev' link and a 'Glossary' link.

5. Movies

Every module is also supported by short movie, available in the Resources section (and uploaded in YouTube project channel).

6. Instructor accounts

If you are a teacher, you have to contact the administrator (iovedenski@scas.acad.bg, rosen@scas.acad.bg) after registration, so we can approve “instructor” account rights. Administrators could contact you and ask additional info. After you have received those rights you will be able to see the edit the modules and add new modules for your group.

For any help or questions related to the Training Modules usage, please contact the MobiDig project partners or platform administrators: iovedenski@scas.acad.bg, rosen@scas.acad.bg, +359 88 8709 488
